PROFILE

Passionate Full Stack Developer with hands-on experience in Python, FastAPI, and React.js. Skilled in transforming Figma designs into responsive, user-friendly interfaces. Completed real-time projects and gained practical experience through web development internships.

EDUCATION

2023 - 2027

BE . Computer Science and Engineering

COLLEGE

Hindusthan College of Engineering and Technology
Coimbatore , 641001

WORK EXPERIENCE

2025 - PRESENT
Vdart, Trichy

Full Stack Developer Intern

- Completed a Full Stack Internship at VDart, Trichy, where I worked with FastAPI and React.js to build real-time web applications. Gained hands-on experience in API development, MySQL integration, and implementing Figma-based UI.

2024
Learnflu (Online)

Web Development Intern

- Worked as a Web Development Intern at Learnflu, where I built responsive websites using React.js and integrated APIs. Focused on clean UI development and gained practical experience in frontend technologies.

WORKSHOP

2025

Generative AI Workshop – IISc, Bangalore

- Attended a workshop at IISc, Bangalore, and learned to build AI chatbots using Generative AI and deep learning concepts.
